Practice Background & Location

Located in Northern LA County, this busy, large scale OB/GYN is situated within an attractive, multistory and highly modern medical building. Immediate freeway access just around the corner and a nearby hospital make reaching the practice easy, with 80% of patients brought in by physician referrals. The area sees consistent strong growth and has a vibrant tech economy, with new housing developments springing up regularly.

Practice Information

3,200 Sq. Ft. of office space on an upper floor includes 6 exam rooms and 3 private doctor's offices. This is a high volume practice seeing many patients a day. A team of 6 medical assistants works with the two owner doctors in this entirely paperless office to handle the patient load. Established in 2003, the has grown and performed consistently strong for many years.
