

Mechanical, Electrical, Plumbing (MEP) Engineering Firm Available For Acquisition

PRICE:

\$ 350,000

Overview

The McLain Group LLC is representing a MEP Engineering Firm with an office in Northwest Arkansas. This MEP firm has past big-name clients such as 7-Eleven, AutoZone, Dollar Store, Goodwill, Jos A Banks, and much more!

Company Information

This company provides complete Mechanical, Electrical, and Plumbing Design Services that are required to meet the complexity of today's building systems. The team is made up of three Professional Engineers that are not the current owners, so a prospective buyer is not required to have a PE license and the team works well together. The team members stay with the project from conception, through construction, and also follow up after construction to ensure complete satisfaction!

Investment Highlights

- Prospective buyer is not required to have a PE to acquire the company.
- Great addition to an architectural firm or civil engineering firm
- Located in one of the top growing areas in the state of Arkansas.
- On it's 5th year of business, which is considered an industry benchmark!

Financial Snapshot	2015	2016	2017
Revenue	\$279,935	\$319,414	\$437,186
EBITDA	\$143,242	\$70,516	\$91,811
