Listing SummaryBusiness Description:

This well established building & remodeling company has been in business for over 30 years and is licensed to operate in both New York and Connecticut.

The company provides comprehensive blueprint review, develops project timetables and maintains a full time professionally trained staff of several construction crews, project managers, bookkeeper, and office management staff.

Every project includes a foreman, production manager and crew who are assigned and stays with a project from its beginning until its completion.

This company utilizes a proprietary advanced computerized cost estimating system they have developed and refined over their many years in business to accurately estimate its projects, reduce unforeseen future extra costs, and to provide a fully itemized description of the project which will quantify the work to be performed.
