

BUSINESS FOR SALE

BEVERAGE PRODUCTS DISTRIBUTOR

BUSINESS OVERVIEW

This distributor of beverage products has sold successfully since 2012. Inspired by Vancouver and all of its beauty as well as a desire to offer a distinctive local product, the owner sourced and branded products that support the mission – to be socially responsible, environmentally friendly, and proudly Canadian.

Additionally, the business model is simple and duplicable with low overhead generating high margins and utilizing third-party distribution logistics with lean operational costs. A unique opportunity exists for an individual with an entrepreneurial spirit to take over this successful company and take advantage of the established relationships and branding collateral to grow the business. Similarly, this business might be of interest to other food companies seeking a strategic or synergistic add-on to their current offering.
