To: Our Customers & Clients...

In order to obtain more information or visit this or any other business the attached Confidentiality Agreement & Questionnaire must be filled in, signed and faxed back.

Additional information can only be sent to you if you can show you have the funds, equity or credit ability to purchase the business you are thinking about – Seller financing, if available, will be taken into consideration.

It is suggested that you show the maximum you would be willing to invest to buy a business – this doesn't mean you would invest all that you show – it only means that if the deal met all of your criteria – you could invest that amount. With any required financing (bank or Seller) you will need to personally secure the loan and in most cases supply some sort of collateral, usually real estate.

Thanks for visiting our site. Check back often as changes, additions or deletions are made frequently.

Thank you for your co-operation
